

Nursery

Summer 1
2024

Class teacher
Mrs Mullett
TA's Mrs
Beardmore
Ms Lee

We will continue to teach children the 'pure' sounds in phonics lessons.

We will also teach the children to blend sounds orally to make words, such as m a t = mat, t a p = tap. With Read Write Inc this process is called Fred Talk and children may use their Fred fingers to help.

Children will practice letter formation using the Read Write Inc images and rhymes, 'Down the Robot and over his arm'

Remember to keep reading with your child at home. Reading books will be changed once a week. You can read any of your own books at home or join the library and find new books.

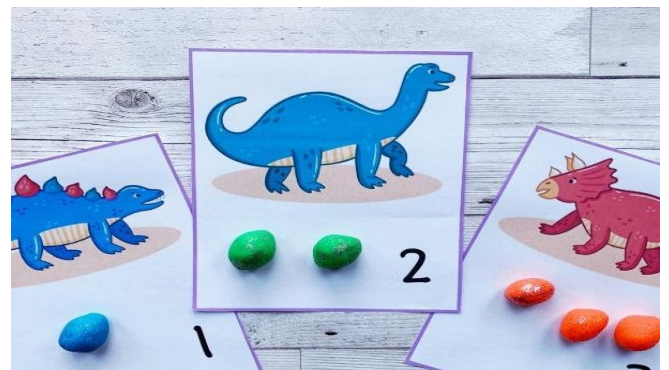

Bleakhouse Primary School

Welcome to the Summer Term

We have lots of exciting learning opportunities planned for the children, based on *Adventurers*. This flyer provides you with an overview of the curriculum your child will access during Summer 1 so you can help and support them with their learning. We will be reading Oliver's Vegetables, The Three Pigs, Goldilocks and The Three Bears and The Gingerbread Man, The Enormous Turnip.

Maths

Children will continue to learn how to count numbers up to 5 and then 10 and beyond as well as recognising and writing the numbers.

They will be measuring the size of dinosaur footprints and putting them in order from biggest to smallest.

They will also look for different patterns in the fantasy worlds and be creating their own repeating sequences.
