## **Happy New Year!**

Welcome to the Spring Term in Year 6. We hope that you have had a good Christmas and wish you all a *Happy New Year!* We resume following the National Curriculum, as we continue to prepare your child for their SATs in May. This will include weekly revision homework and the possibility of an invitation to our after school booster clubs. Should you have any queries, please pop in and see us at the end of the school day.

## **Reading**

Please aim to hear your child read and encourage them to read independently for pleasure, at least three times a week and record it in their Home Learning Log. Please remember to sign their Home Learning Log under each reading entry, as this will contribute towards the **Rainbow Reading Challenge**. Children may change their reading book every morning from 08.45 to 09.00. It is your child's responsibility to ensure that their book is changed regularly.

## **Maths**

We will be working in sets for maths in Year 6. It would be of great benefit if you could continue to encourage and support your child to complete their weekly maths revision tasks as well as secure their times tables up to 12.

## **Home Learning**

Weekly spellings will continue to be given out on Fridays to be tested on the Friday of the following.

In addition, revision tasks for maths, reading and GSAP, will continue to be set on a weekly basis to ensure your child is continuing to consolidate their learning ready for SATs.

Children can also use BBC Bitesize and complete the KS2 quizzes to test their knowledge.

## **When will your child need their PE kit?**

Tuesday and Thursday  
(6W & 6M)

Please remember that your child will need shorts, a plain white t-shirt and pumps. We would also recommend that they have a plain tracksuit/jogging bottoms and a plain jacket/sweater for when we go outside. Please note that jewellery (including earrings) must not be worn during P.E.
